

2018

CHRYSLER  
PACIFICA

 2017 NORTH AMERICAN UTILITY VEHICLE OF THE YEAR

THE MOST TECHNOLOGICALLY ADVANCED VEHICLE IN ITS CLASS<sup>1\*</sup>

The Chrysler Pacifica delivers an unprecedented level of functionality and technology, making it the no-compromises minivan ideal for modern, high-tech families. The available Largest-in-Class<sup>1</sup> 8.4-inch Uconnect<sup>®</sup> touchscreen system is an integrated, convenient digital hub for media and climate settings, along with hands-free communication<sup>2</sup> capability.

The available second-row Uconnect Theatre with wireless streaming provides two front seatback-mounted 10-inch HD touchscreens. This system integrates apps and games with the ability to stream media and display separate videos or games simultaneously, as well as allow passengers to use their devices with the vehicle's USB and HDMI connectivity.

AVAILABLE SEATING FOR EIGHT

Make room for more with the available Class-Exclusive<sup>1</sup> Stow 'n Go<sup>®</sup> fold-in-floor seating, storage and cargo system and available seating for eight.<sup>1</sup> Occupants in all three rows will notice the spaciousness along with easy access to their gear. With the available hands-free power liftgate and sliding side doors, a single kick motion opens the vehicle when the key fob is with you, for easy load-in of passengers and items.

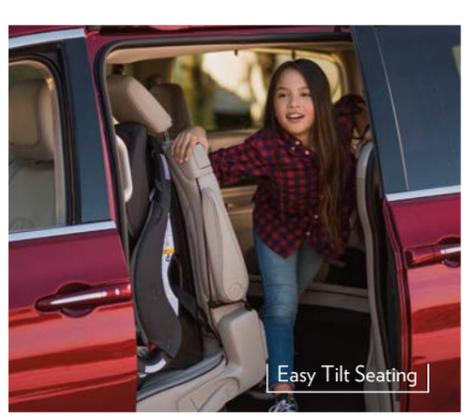

SCULPTED FOR A SMOOTH, QUIET RIDE

The sleek, athletic structure's advanced aerodynamics as well as interior noise cancellation technology provide a peaceful cabin experience. The architecture optimizes ride and handling with a suspension and frame configured for strength, stiffness and refined driving dynamics.

<sup>1</sup>All disclaimers and disclosures can be found on the back cover. <sup>2</sup>Gas engine models only.

Blind-Spot Monitoring<sup>3</sup>

Uconnect® Theatre rear-seat entertainment system

# THE MOST ADVANCED ENTERTAINMENT SYSTEM IN ITS CLASS<sup>1</sup>

## INDUSTRY-LEADING REAR-SEAT ENTERTAINMENT<sup>1</sup>

The available Class-Exclusive<sup>1</sup> Uconnect® Theatre rear-seat entertainment system allows passengers to watch movies, play built-in games and connect personal devices to stream content throughout the vehicle. The system enables second-row occupants to bring their digital lifestyle along for the ride and connect simply, either wirelessly, or using USB and HDMI device connectivity.

## FULL CONTROL FROM THE FIRST ROW

The available Blu-ray®/DVD player with integrated video USB port in the first-row centre stack can be used to play movies on the two Uconnect Theatre 10-inch touchscreens. From the first-row 8.4-inch touchscreen, parents can mute, turn off and lock out content displayed on each screen.

## A MOBILE THEATRE & GAME CONSOLE

Uconnect Theatre integrates apps and games on dual, front seatback-mounted, 10-inch HD touchscreens with the ability to display separate media or games simultaneously. Keep curious minds in the backseat engaged while they follow your travels with the "Are We There Yet?" app on navigation-equipped models<sup>4</sup> which displays the distance remaining and arrival time to a programmed destination. Seven included games like checkers, tic-tac-toe and backseat bingo ensure the whole crew is entertained along the way.

## QUALITY ACOUSTICS

The standard built-in Active Noise Cancellation (ANC) technology subdues unwanted noise to enhance cabin quietness. It also allows for a premium sound quality to be delivered through the standard six-speaker audio system, available Alpine® 13-speaker system or available Class-Exclusive<sup>1</sup> harman/kardon® 20-speaker surround-sound system, creating a mobile soundstage.

USB charging ports available in all three rows

# LARGEST-IN-CLASS<sup>1</sup> 8.4-INCH TOUCHSCREEN

## STAY IN TOUCH WITH UCONNECT

Remain focused on the road with your hands on the wheel, as you communicate, navigate<sup>4</sup> and stay entertained with the standard 7-inch or the available Largest-in-Class<sup>1</sup> 8.4-inch Uconnect touchscreen. The system displays climate and multimedia controls, and an available memory feature to save preferred seat, mirror and radio settings.

With your compatible phone paired to the system's hands-free<sup>2</sup> Bluetooth<sup>®</sup> technology, **Voice Text Reply<sup>5</sup>** can announce and read incoming texts. **Eyes Free<sup>6</sup>** allows you to make voice commands<sup>2</sup> with your iPhone<sup>®</sup> 4s or later, and **Do Not Disturb** can hold calls and texts or send automated replies.

## SIRIUSXM SATELLITE RADIO<sup>7</sup>

SiriusXM satellite radio with one-year subscription<sup>7</sup> is available and includes over 120 music, news, sports and specialty channels. It also allows you to receive alerts when your favourite song, artist or team is playing on another channel. Instant Replay lets you pause and rewind programs, songs and broadcasts. **SiriusXM Tune Start<sup>7</sup>** ensures you never miss a beat by starting songs from the beginning when switching between preset channels.

## SIRIUSXM TRAFFIC PLUS<sup>7</sup> AND SIRIUSXM TRAVEL LINK<sup>7</sup>

**SiriusXM Traffic Plus<sup>7</sup>** works with the vehicle's navigation system<sup>4</sup> to display traffic and accident information to assist in routing around congested areas. **SiriusXM Travel Link<sup>7</sup>** provides real-time local fuel prices, weather conditions, sports scores and movie times.

## SIRIUSXM GUARDIAN<sup>8</sup>

This advanced in-vehicle connectivity offers a WiFi Hotspot<sup>9\*</sup> and help when you need it most with Roadside Assistance Call and SOS Call from your touchscreen or rearview mirror button. The mobile app helps to keep you connected by turning your phone into your vehicle's command centre. The one-year trial subscription includes Remote Vehicle Start to start your car and unlock the doors from virtually anywhere, as well as Stolen Vehicle Assistance alerts, Send & Go<sup>™</sup>, and much more.

androidauto

## ANDROID AUTO<sup>™10</sup>

This plug-and-play capability provides a safer way to use Android<sup>™</sup> while in your vehicle, sharing information while you easily access the best of Google: Maps with voice-guided navigation<sup>4</sup> and Play Music; place phone calls or send and receive messages and ask Google any question by voice command<sup>2</sup>

## APPLE CARPLAY<sup>™10</sup>

A smarter, safer way to use an iPhone while plugged in, inside your vehicle and seamlessly integrate it with the Uconnect touchscreen and Siri voice control. You can make calls, access music, send and receive messages,<sup>5</sup> get directions optimized for traffic conditions and more while staying focused on the road.

Display your information and connectivity with the available **Drag and Drop Menu Bar** to keep your top Uconnect<sup>®</sup> services on the main screen

Cluster gauges glow with elegant "Chrysler Blue"

Available 7-inch in-cluster display screens

## 7-INCH IN-CLUSTER DISPLAY CENTRE

This available premium display delivers crisp, configurable graphics integrated between the cluster gauges. A customizable screen allows for a range of driver-assist settings, such as digital speedometer, fuel economy, alerts for available features like Forward Collision Warning<sup>3</sup> or Parallel and Perpendicular Park Assist,<sup>5</sup> and turn-by-turn directions if equipped with navigation.<sup>4</sup>

## 3D NAVIGATION<sup>4</sup> IMAGERY

Identifying your whereabouts is an exact science with the available Uconnect 4C NAV system's integrated navigation,<sup>4</sup> including 3D landmarks, city models, digital terrain maps, enhanced graphics and one-step voice destination entry.

\*Late availability.

# 100+ STANDARD AND AVAILABLE SAFETY AND SECURITY FEATURES

## ACTIVE PARKING ASSISTANCE<sup>3</sup> AND OBJECT DETECTION<sup>11</sup>

The Chrysler Pacifica assists in your daily manoeuvres through a network of available front- and rear-fascia sensors, to guide you into parking spaces and help you detect obstacles.<sup>11</sup> The sensors send out ultrasonic waves when driving at low speeds and can provide visual and audible alerts of nearby obstacles. Park-Sense<sup>®</sup> Rear Park Assist with Active Braking<sup>3</sup> can automatically apply the brakes to prevent a potential rear collision in low-speed parking situations.

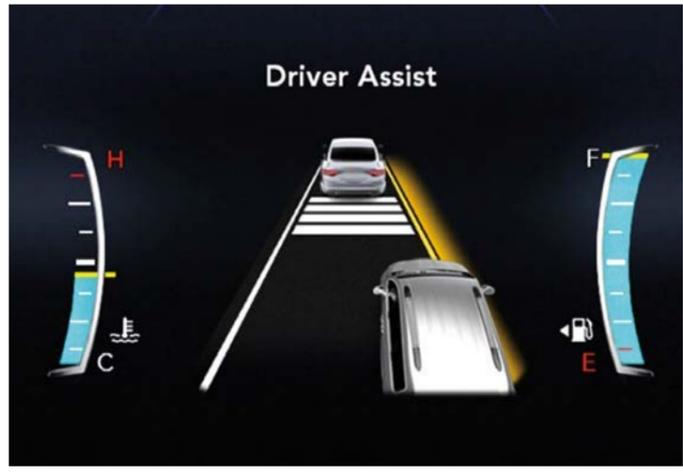

Parallel and Perpendicular Park Assist<sup>3</sup> is available on either side of the Pacifica. When activated by the driver, the system can locate a suitable parking spot and allow the vehicle to manoeuvre itself into a perpendicular or parallel space. This feature automatically controls steering-wheel turn as the driver controls the gears, brake and accelerator.

## 8 AIR BAGS<sup>12</sup>

Eight standard air bags include front multistage air bags with adaptive venting technology, side-curtain air bags, driver and front-passenger inflatable knee bolster air bags, and front-seat-mounted side-impact air bags. Based on occupant size and the severity of impact, the front air bags open at varying levels of inflation. Side air bag inflatable curtains extend over both front and rear seating rows.

## ELECTRIC PARK BRAKE WITH SAFEHOLD

Activated by a button located near the Rotary E-shift dial, the standard Electric Park Brake switch eliminates the traditional pull park/emergency brake handle. It includes the additional function of SafeHold, an override feature which can secure the wheels if it detects the driver has exited the vehicle while it's at a standstill but not in the Park gear.

## LANE DEPARTURE WARNING WITH LANE KEEP ASSIST<sup>3</sup>

A forward-mounted camera assesses the vehicle's position within a lane. If the vehicle starts unintentionally drifting out of its lane without the driver using the indicators, this available feature can warn the driver visually and through a haptic warning — a “shiver” in the steering wheel. If the driver does not respond to the warnings, Lane Keep Assist<sup>3</sup> can help gently nudge the vehicle back into the lane by leveraging the Electric Power Steering system to apply corrective steering input.

## ADAPTIVE CRUISE CONTROL WITH STOP AND GO<sup>3</sup>

By using radar and video sensors, this available system can automatically adjust cruising speed based on preset speed and vehicle distance settings. In certain conditions, such as stop-and-go traffic, the system is able to bring the vehicle to a complete stop without any driver intervention, then prompt the driver to press the Resume button or tap the accelerator to re-engage to safe-range speeds as traffic begins to move.

## FORWARD COLLISION WARNING WITH ACTIVE BRAKING<sup>3</sup>

Using radar and video sensors, this available system detects whether the vehicle is approaching another vehicle or large obstacle in its path too rapidly. When an object is detected, the system can provide audible and visual warnings and can assist the driver in avoiding the incident by actively applying the brakes. The driver has the ability to adjust the sensitivity and turn brake support on or off using the Uconnect<sup>®</sup> radio.

## BLIND-SPOT MONITORING WITH REAR CROSS-PATH DETECTION<sup>3</sup>

When driving forward, the available Blind-Spot Monitoring system continually monitors the vehicle's side blind zones using dual radar sensors. When a side blind spot is encroached, you're notified via an illuminated icon on the appropriate sideview mirror, and if the turn signal is activated, an audible notification sounds.

Rear Cross-Path Detection engages when you put your Pacifica in Reverse. Bumper-mounted sensors detect approaching vehicles and notify you in order to help prevent a potential collision. If a car approaches from either side, the driver hears a chime and sees an illuminated icon in the sideview mirror. Use your Uconnect radio to program audible alerts. Available.

ASSURING THE WELL-BEING  
OF YOU AND YOUR FAMILY

Available Surround-View Camera shown on the 8.4-inch Uconnect® screen

### SAFETYTEC™ FEATURE PACKAGES

Two package options bundle advanced safety features to enhance driver and passenger safety and security. **SafetyTec Group** includes: Park-Sense® Rear Park Assist with Active Braking and Blind-Spot Monitoring with Rear Cross-Path Detection.<sup>3</sup> The **Advanced SafetyTec Group**'s active safety systems include: Forward Collision Warning with Active Braking, Adaptive Cruise Control with Stop and Go, Lane Departure Warning with Lane Keep Assist, and more.<sup>3</sup> See page 23 for package details.

### PARKVIEW® REAR BACK-UP CAMERA<sup>3</sup>

When driving in Reverse, the available ParkView system's back-up camera<sup>3</sup> image is shown in the 7-inch or 8.4-inch Uconnect® touchscreen. It includes selectable static or dynamic grid lines, adjusting as the steering wheel is turned. The wide-angle view of what is immediately behind your vehicle allows you to better access a clear path for backing out of parking spots.

### ADVANCED LIGHTING TECHNOLOGY

Providing a bright spot in any lane, Pacifica's available automatic quad-halogen projector headlamps and premium fog lamps offer more controlled illumination for increased visibility. Available High Intensity Discharge (HID) headlamps, LED Daytime Running Lamps (DRLs) and LED fog lamps provide enhanced illumination and unmistakable road presence, while standard LED taillamps produce a distinctive and highly refined illuminated halo. Available Auto High-Beam Headlamp Control adjusts brightness based on ambient light and oncoming traffic.

### SURROUND-VIEW DISPLAY

During low-speed driving situations like parking or backing out of your driveway, the available 360° Surround-View Camera<sup>3</sup> delivers a new level of technology, providing a bird's-eye perspective of the vehicle and its surroundings in the available Largest-in-Class<sup>1</sup> 8.4-inch touchscreen.

# COMFORT IS ALWAYS WITHIN REACH

## NAMED ONE OF WARDS "10 BEST INTERIORS"

This Award-Winning interior offers ergonomically designed seats that support contours of the body, generous legroom and easily accessed storage. Premium leather-faced and cloth seating options with distinct stitching detail are part of the refined interior, as well as the standard Rotary E-shift dial and open centre console with storage. The optional 12-way adjustable driver seat with four-way power lumbar support and memory settings, heated steering wheel and Keyless Enter 'n Go™ with push-button start are part of the available comforts that make Pacifica built to appreciate the driver.

## JUST RIGHT EVERY TIME

The Pacifica cabin offers premium features designed to keep you comfortable when temperatures outside are less than ideal, like heated front- and second-row seats, as well as available ventilated front seats. The available heated steering wheel delivers a single layer of warmth and can be operated using climate controls on the Uconnect® touchscreen, while the available tri-zone automatic temperature control includes a rear-seat control panel. On models equipped with remote start, the heated steering wheel and heated and ventilated front seats can be programmed to come on automatically.

## TRI-PANE PANORAMIC SUNROOF

Passengers will appreciate awe-inspiring views while enjoying cloud formations or counting stars through the overhead glass. The spacious interior is visually expanded with the light-infused Segment-First<sup>1</sup> available Tri-Pane Panoramic Sunroof with third-row fixed glass and power dual-pane first- and second-row sunroof. The sunroof features deep-tinted glass and a power sunshade for the front portion, as well as a manual sunshade for the fixed rear glass.

Limited interior shown in Alloy with Cranberry Wine accent piping and stitching

## FAMILY ROOM FUNCTIONALITY

### VERSATILE SEATING CONFIGURATIONS

The family room on wheels offers up to 243 different seating configurations\* with available seating for eight on properly equipped models, including a lightweight, removable second-row centre seat.\* With the second- and third-row seats stowed in the floor and the eighth seat removed,\* an expansive flat cargo space can fit several 4 x 8 ft sheets of plywood. When the removable eighth seat is not being used, it offers an additional armrest, cup holder and storage bin for the second-row passengers by folding the seatback forward.

### AUTO ADVANCE 'N RETURN

Pacifica includes the intuitive Stow 'n Go® fold-in-floor seating and storage system. The Auto Advance 'n Return feature makes stowing gear or the seats in second-row in-floor bins as simple as pressing a button that automatically slides power-equipped front seats forward to allow for bin access. Press the button again, and the front seat returns to its original position, including recline.

### POWER-FOLDING THIRD ROW

The available one-touch power-folding third-row 60/40 split-bench seat folds directly into the floor. This feature also includes obstacle detection to automatically pause if something is detected in its path of motion,<sup>11</sup> as well as an automatic headrest folding function that can be accessed through the front-row Uconnect® touchscreen.

INDUSTRY-EXCLUSIVE

**STOW 'N GO**

243 SEATING CONFIGURATIONS\*

### SMOOTH AND SIMPLE SEAT STOWING

The enhanced Stow 'n Go® system provides intuitive, easier operation, with a smooth, single motion fold-and-stow process for the fold-in-floor second\* and third-row seats. When the seats are in their upright positions, in-floor bins store a multitude of items, from laptops, purses and toys to backpacks and sporting equipment. Available.

### FRONT AND CENTRE

The Pacifica offers centre consoles that provide clever functionality, storage and organization for all of your gear. All versions of the available centre consoles offer four cup holders, including two for the front row and two for the second row. An additional open forward bin, inset into the floor, is deep and wide enough to hold a grocery bag or purse. Also included are connections for 12-volt and USB charging, lined storage surfaces, and a stylish tambour door on models equipped with the Super Console.

### EASY TILT THIRD-ROW ACCESS

Passengers can easily climb into the third row using the Easy Tilt seat feature. The second-row seats shift forward, with or without a child seat installed, at the pull of a lever. Alternatively, third-row passengers can simply pull the Stow 'n Go strap before entering the third row (if a child's seat is not installed).

### CARGO VERSATILITY

Versatility is virtually endless with the industry's most innovative passenger and cargo vehicle. The available Stow 'n Go system folds and stows second- and third-row seats, allowing you to go from seating up to eight\* to seating two passengers, with any combination in between. With all rear seats stowed, 3,979 L (140.5 cu ft) of space in the second and third rows means loading up is as easy as loading in.

SEGMENT-EXCLUSIVE<sup>1</sup> HANDS-FREE  
POWER SLIDING DOORS AND LIFTGATE

A single kick motion under the sliding doors or liftgate opens the vehicle when the key fob is with you. Whether you're carrying packages or a sleeping baby, loading in has never been smoother.

Properly secure all cargo.

## GENERATION US

### KEYLESS ENTER 'N GO™

This available passive entry system allows you to open doors as well as start the vehicle with a keyless, push-button ignition via a personalized fob. With the fob on or near you, simply pull the door handle or rear liftgate latch to unlock the vehicle. The available power sliding doors and rear liftgate can also be opened with the touch of a button.

### EASY CLEANUP WITH STOW 'N VAC

When things get messy, the convenience of an available built-in vacuum by RIDGID® makes cleanup fast and simple. Accessed from the second row, Stow 'n Vac easily reaches all corners of the Pacifica. It's the highest power-rated in-vehicle vacuum in its class<sup>1</sup> and includes a crevice tool, fabric brush and dishwasher-safe debris drawer located in the rear cargo area.

### HANDING OVER THE KEYS STRESS-FREE

Ideal for families with new drivers, the available KeySense programmable key fob helps promote safe driving habits and limit distractions. Using a four-digit PIN programmed through the Uconnect® touchscreen, the KeySense fob can limit vehicle speed and audio volume, and block select SiriusXM<sup>7</sup> channels. KeySense will also mute the audio when front seat belts are not buckled and prevent disabling of available active safety systems.

CANADA'S BEST-SELLING<sup>14</sup> ENGINE  
3.6L PENTASTAR™ V6

BEST-IN-CLASS<sup>15</sup>  
TOWING

Limited shown in Granite Crystal Metallic with optional 20-inch polished aluminum wheels with Tech Grey pockets

Properly secure all cargo.

### AWARD-WINNING 3.6L PENTASTAR V6 ENGINE

Choosing the gasoline-powered Pacifica means choosing Canada's Best-Selling<sup>14</sup> engine, which is both commanding and economical. The 3.6L Pentastar VVT V6 delivers an impressive 287 horsepower and 262 lb-ft of torque. Efficiency is further enhanced with the available Engine Stop/Start (ESS) technology that automatically shuts off the engine as the vehicle brakes to a stop, then seamlessly restarts it when the brake pedal is released.

### SEGMENT-FIRST<sup>1</sup> 9-SPEED TRANSMISSION

The Pacifica is equipped with a standard nine-speed automatic transmission — a primary contributor to unsurpassed<sup>13</sup> highway fuel economy as efficient as 8.4 L/100 km (34 mpg)\*. Its unique calibration allows for outstanding vehicle launch characteristics with quick, smooth transfers between gears. The transmission also enables lower engine rpm while cruising at highway speeds and, in turn, optimal fuel efficiency.

\*Based on *EnerGuide* ratings. See page 23 for full details.

### BEST-IN-CLASS<sup>15</sup> TOWING CAPACITY

Whether it's loading up the trailer with home improvement supplies or garage sale furniture, or pulling the family camper or boat, you'll easily get it done with a towing capacity of up to 1,633 kg (3,600 lb)! When you're pulling that much weight, it's nice to know the available Trailer Sway Control (TSC) will help keep you safely on course.

\*When properly equipped with Trailer Tow Group.

**DISCLAIMERS:** (1) Based on the latest available competitive information for minivans in the *WardsAuto* Small Van segment. Excludes other vehicles designed and manufactured by FCA US LLC. (2) Driving while distracted can result in loss of vehicle control. Only use mobile phones and other devices, even with voice commands, when it is safe to do so. Voice commands of phone require a Bluetooth-compatible phone. (3) This is a driver convenience system, not a substitute for active driver involvement. The driver must remain aware of their surroundings and be prepared to take corrective action to avoid collisions. (4) Never program while driving. GPS mapping and available 3D navigation may not be detailed or available in all areas or reflect current road regulations. (5) Preset voice to text messaging and incoming text message reading requires a MAP-enabled phone. (6) Siri Eyes Free requires an iPhone equipped with Siri. Certain features not available while the vehicle is in motion. iPhone must be within active cellular range. Customer's existing iPhone data rates apply to Internet-supported features. (7) Requires SiriusXM radio subscriptions governed by SIRIUS terms and conditions available at [siriusxm.ca](http://siriusxm.ca). (8) All SiriusXM Guardian-equipped vehicles come with a 12-month trial effective on the date of purchase or lease of a new vehicle. Enrollment in the trial is required to receive service. Upon expiration of the trial period, purchase of a subscription is required to continue SiriusXM Guardian. Services can only be used where cellular coverage is available. See Uconnect and SiriusXM Guardian Terms of Service for complete service limitations. (9) WiFi Hotspot available through third-party subscription. Requires Internet-enabled mobile device. See dealer for details. This feature is not intended for use by the driver while the vehicle is in motion. Always drive carefully. (10) Driving while distracted can result in loss of vehicle control. Only use mobile phones and other devices, even with voice controls, when it is safe to do so. Apple CarPlay requires a compatible iPhone connected via USB cable to the Uconnect system. Android Auto requires the Android Auto app on Google Play and an Android compatible smartphone running Android 5.0 Lollipop or higher. Data plan rates may apply. (11) Detects most obstacles. Always use care. (12) The Advanced Front Air Bags in this vehicle are certified to the federal regulations for Advanced Air Bags. Children 12 years old and younger should always ride buckled up in a rear seat. Infants in rear-facing child restraints should never ride in the front seat of a vehicle with a passenger front air bag. All occupants should always wear their lap and shoulder belts properly. (13) Based on *EnerGuide* fuel consumption ratings for non-hybrid minivans in the *WardsAuto* Small Van segment. 12.9 L/100 km (22 mpg) city. 2018 Chrysler Pacifica with 3.6L Pentastar VVT V6 engine and 9-speed automatic transmission. Government of Canada test methods used. Your actual fuel consumption will vary based on driving habits and other factors. (14) Based on IHSMARKIT Automotive Canadian New Vehicle Total Registrations from CYE 2011 – 2015 and CYTD July 2016 for all Cars, Light Duty and Medium/Heavy Duty Trucks. (15) Based on the latest available competitive information for minivans in the *WardsAuto* Small Van segment. Excludes other vehicles designed and manufactured by FCA US LLC. When properly equipped. (16) No system can repeal the laws of physics or overcome careless driving actions. Performance is limited by available traction, which snow, ice and other conditions can affect. When the warning lamp flashes, the driver needs to use less throttle and adapt speed and driving behaviour to prevailing road conditions. (17) Not compatible with all garage door openers.
